

Packington Men's Group (PMG)

In hot sunshine, 19 PMG members attended our **May Annual "Dinner"**, our first ever held at lunchtime. **"The John Thompson"** has a beautiful rural setting in Ingleby by the River Trent, and certainly lived up to its reputation for home-brewed Real Ale and its Carvery menu. The photo shows our after-lunch **tour of the micro-brewery** on the same site, led personally by the current host, Nick

Thompson, son of the eponymous founder. Our thanks go to Nick, and to Clifford who pre-tested the venue and then ably organised the event with a rota of 5 cars, drivers and passengers.

We have a gentle 50-minute **PMG Evening Mystery Walk** on **Thursday 12th June 2008**. This year the mystery is limited because we shall include a **conducted tour of Melbourne Church**, known locally as a "Cathedral in miniature" for its twin-tower West facade, of the sort only normally found in cathedral and abbey churches. **Cars leave our village hall at 6.40pm**, the walk starts at 7pm, and the 30-minute guided tour at 8pm. ***Please call Mike on 414862 if you need or can offer transport.***

Date for your Diary: Thursday 10th July, at 2pm - PMG Summer Sports afternoon, on a nearby bowling green, ending with teatime refreshment!
