

Packington Men's Group (PMG)

Eleven of us took the annual June **PMG Evening Walk**. Our route along Melbourne lake and local fields was gentle, but the guided tour

of **Melbourne Church** which followed had a steep spiral staircase to the gallery and was more challenging. From high above the Nave, the Vicar gave us a detailed account of the history of his fascinating church. We heard and saw the bells being rung, and of course came away with "ringing in our ears". Our thanks to Melbourne Church and to Mike Taylor for his organisation of a memorable evening.

On **Thursday 10th July, at 2pm** we hold our **PMG Summer Sports afternoon**, on a nearby bowling green. Bowls very much suits the

PMG demographic profile, and those of us who are not yet skilled can perhaps learn much from the more frequent players among us. **Cars leave our village hall at 1.50pm. Please call Mike on 414862 if you need or can offer transport.**

Date for your Diary: Thursday 14th August at 8.20am, PMG Annual Breakfast to be held at the **National Memorial Arboretum at Alrewas**. Tickets will be available from Wally on 416786.

Members' ideas, and new members, are always welcomed - please contact
