

Packington Men's Group (PMG)

In **May**, sixteen of us visited **The John Thompson Inn and Brewery at Ingleby** in the beautiful countryside beside the River Trent, for the **PMG Annual Luncheon**.

We were pleased to welcome to our midst new member Bob Miller. Most of us enjoyed a huge portion of "Derbyshires' largest daily topside of beef", with all trimmings, while a few chose appetising salads, with most then topping-up on the delicious "Mrs T's" bread-and-butter pudding! Such large appetites are only rarely on display amongst our mature group. The eponymous John himself joined us for a while, his business being ably run these days by son Nick, as a family pub and brewery, scoring highly for food and ale, year after year, in the Good Pub Guide.

On **Thursday 11th June 2009** we meet for our **PMG Evening Mystery Walk**. This year we may again expect **excellent summer weather** for our walk, which some might rather describe as a "stroll", organised as in previous years by Mike and Geoff. After a reasonable and demographically-appropriate time and distance on our feet in pleasant surroundings, we shall repair to socialise at a local hostelry. **Cars leave our village at 6.40pm**, and the walk starts at 7pm. **RSVP- Please call Mike on 414862 if you can come, and say if you need or can offer transport.**

Next Date for your Diary: Thursday 9 July 2009 - PMG Sports afternoon - bowling. More information about PMG - see rear of this magazine, or "Men's Group" on the website "packington dot info"
