

## Packington Men's Group (PMG)

In **April 2010** 18 of us toured the amazing heritage exhibition in the smart modern

**Learning and Career development Centre**

at the **Rolls Royce** campus in Derby.

**Former RR Chief Engineer Chris**

**Hornblower** gave us a

closely- guided tour of early cars and of a

whole century of aero

engine development explaining how they worked with the succinct phrase "**Suck, squeeze, bang, blow.**" Lunch, and more engines at an adjacent museum site followed, a truly excellent sunny day out.

On **Thursday 13th May** leaving at 11:30 am our **PMG Annual Luncheon** will again be held at "**The John Thompson Inn & Brewery**". **Tickets are required, price £7.50** to include the buffet carvery main course and a glass of wine or juice. See the PMG page on the village website for the menu. Tickets available until Monday 10th May from Treasurer and transport planner **Wally Instrall**, on **416786**.

**Date for your Diary:** On **Thursday 10th June** at **7pm** our annual **Evening Mystery Walk** will include a gentle period on our feet in nice level scenery, with social sustenance to follow. Less-active members have been known previously to bribe **Mike Taylor 414862** to reveal the sustenance venue and go there directly..
