

Packington Men's Group (PMG)

Nine of us took the annual **June PMG Evening Mystery Walk**, which this year featured the **Pick Triangle Wood** and the adjacent large recreational lake just to the **South of Albert Village**. The picture below

shows us pausing in the wood, before continuing to the picturesque lakeside park, with its impressive water features and paved footpath, nicely restored after the open-cast mining of recent decades. The **Mushroom Hall Inn** at Albert Village was a fitting walk-end venue. Our thanks to Mike and Geoff for organising this great walk route!

On **Thursday 8th July, at 2pm** we hold our **PMG Summer Sports afternoon**, at the Ashby Bowls Club. Once again we shall be privileged

to be guests of the club and its President Gwen Ikin for the afternoon, and to again enjoy afternoon tea in the clubhouse at the end of play. This is a rare opportunity to take part in an appealing but gentle sport. **Cars leave our village at 1:45pm RSVP-**

Please contact Mike 414862 if you need or can offer transport.

STOP PRESS Evening visit, **Leicester Botanic Gardens**, with Ladies Group, **Wednesday 14th July 5:15pm**. Tickets £6+: **Wendy 414717**

Date for your Diary: Thursday 12th August at 8 am, PMG Annual Breakfast. Always a favourite, our annual breakfast get-together is again held at the **Packington Bull & Lion**, with no need for driving long distances.

*For more about **PMG** - see the rear of this Parish News, or the village website "**packington dot info**".*
