November 2010

**"Packington Village
History Group"**

In **November 2010**, a full house of 22 of us heard **PMG treasurer Wally Instrall** describe "**The Packington Village History Group**". This small group have a number of research

successes, including as an example photos of two aircraft which had in days gone by landed in village fields after running out of fuel. One particular success has been the indexing of every village document and article of historic value, some 2,400 items in total. Also a project to photograph and re-catalogue village memorials is well under way. Lively discussion took place as to the possibility of making these vital records available through the internet and the village web site.

Our **pre-Christmas Party** this year includes a sit-down-at-table hot meal, to be held on **Thursday 9th December at 7:00pm prompt at the main Memorial Hall**. After aperitifs there will be a VERY short AGM, entertainment, the hot meal with wine or soft drinks supervised by **galley-chief Marian Mugglestone**, followed by carol-singing to the keyboard of **maestro Chris Miles**. Our meal is as usual self-provided - a list of needed victuals and drinks will be circulated – **RSVP!** please contact early the honorary **quartermaster - Robert on 411673**. We all need to bring our own plates and eating irons!

Advance notice now of a **Scottish flavour** to our **13th January 2011** event, a pre-**Burns-Night** meal with real Haggis, at the Memorial Hall on Thursday 13th January
