

Packington Men's Group PMG

In **June 2012**, **10 PMG members** enjoyed **fine sunny weather** in the midst of an otherwise dull wet early June, for a splendid afternoon of bowls, at the **Ashby de la Zouch Bowls Club**. The games played were competitive, even though several of us are not regular bowls players. Afterwards, an excellent tea

was provided by **former Club president Gwen Ikin**. The photo shows **PMG members** before taking to the green; with, at far right, **Ashby Bowls Club president, Mike Smith**. Seated, second from right, is **Bowls Club Secretary and PMG committee member Mike Taylor**, who organised the event.

On **Thursday 12th July 2012 at 6:30pm** we depart for our **PMG Evening Social Stroll ESS**, during which we can get to know fellow members as

we stroll an unchallenging mystery route in a pleasant area (such as shown at left) that suits our PMG demographic profile. **Mike and Geoff** have again chosen the ESS route, which again will lead to a convivial venue for more sedentary socialisation. Members unwilling to

take the outdoor route may instead proceed direct to the venue. **RSVP - Please contact Mike by email or by phone 414862** Please say if you need or can offer transport, or will want to proceed direct to the venue.

For Your Diary: Thursday 9th August 2012 - 8:30am - PMG Annual Breakfast with a Difference - a NEW MENU. We hope this year to introduce a less challenging menu with a more healthy option, but still at our very own Bull & Lion.
