Trent River bridge, near to Derwent River PMG Evening Social Stroll, July 2012

In **July 2012**, **9 PMG members** enjoyed typical summer evening weather - cloudy, mild, with occasional light spots of rain - for their **PMG Evening Social Stroll (ESS)**. Geoff and Mike had

Led the PMG ESS, July 2012

chosen a gentle canal and riverside stroll route of about 3 miles, only slightly curtailed due to recent flooding, starting and ending in picturesque Shardlow by the River Trent. Near the junction with the River Derwent, our photos show the startling white arch steel-tube bridge. We repaired to the Malt Shovel Inn at

Shardlow for a convivial sit-down and chat to round off the evening together.

On **Thursday 9th August 2012 at 8:30am** our **PMG Annual Breakfast at the Bull & Lion** this year is at a later time and has a NEW healthier-option Menu. We welcome, as our **guest speaker, Rev Linda Cox**, latest member of the Woodfield Team, who recently moved into Packington Vicarage. Tickets for full-English breakfast are £6.50, the lower-calorie version £5. **RSVP - Please contact treasurer Wally on 414862**, and arrange to pay for your choice of breakfast before the end of Monday 6th August.
