

## Packington Men's Group PMG

In **August 2012**, **19 PMG members** enjoyed the **PMG Annual Breakfast** at our well-known local village restaurant. We welcomed 2 new faces, George

Caukwell and Mike Ball, and also **guest speaker Rev Linda Cox**, who, after our full

Packington Breakfasts, eloquently described her background and career prior to arriving here in June as the new curate. **Rev Cox** is a fairly dazzling prospect for our village: Bright Pink is the new Black, and what a shame photos here are only

On **Thursday 13th September 2012 at 7:15pm in the Memorial Hall Meeting Room**, after an aperitif of sherry or fruit juice, **PMG Guest Speaker Jamie Wilde** talks about the **NW Leics Society of Model Engineers**. You need special skills, knowledge, tools, and dedication to build a steam locomotive that will haul a train of passengers, and we shall learn how this is done. The Society is based in nearby Whitwick.
