

Packington Men's Group PMG

In August, we enjoyed our **PMG Annual Breakfast** at our **Packington Bull & Lion**, where amazingly our **friendly hosts Emma Talbot and Phil Tookey**

served 15 freshly-cooked full breakfasts and two healthy options all within two minutes, a catering feat much appreciated as we simultaneously tucked-into our tasty and hearty meals. In a short address afterwards, **Phil** talked openly with clever humour about his Army career and their future plans. After his challenging active service in Bosnia, Kosovo, Afghanistan, and Yorkshire, he

clearly prefers Packington! We warmly echo their hopes to keep the pub a prime focal point of our village, and to bring it closer to our hearts.

On **Thursday 11th September 2014** leaving the village at **1:40pm**, **PMG** visits the **Ashby Canal Restoration Project at Moira Wharf** for a guided tour and talk by **Project Officer Geoff Pursglove of Leics Council**. **RSVP to Mike Coke on 560430 - say if you need or can offer transport. Thanks!** *More on PMG at front of this magazine*
