# 77th Annual Show

With this years' show approaching, you might notice the odd change or two! We listened to your feedback and as you will see have included a couple of the new suggested categories. Last year saw the 76<sup>th</sup> show and what a great day was had by all with support from young and old alike. We are looking forward to yet another fantastic show and hoping we get your support once again to make it another one to remember and to continue supporting your local groups and good causes. Whether you're a novice gardener, crafter or baker, a committed grower or first timer, whatever your age there is a category for you. If entering is not your thing, coming along to view all the wonderful exhibits is a must and you may even be tempted to buy some of the produce during the renowned auction. If you would like to see something new for next year or would like to get involved in helping organise next years' show, please speak to myself or a member of the committee. Everyone is welcome whether in or out of the village so we look forward to seeing you all on show day!
